

GGSF Moo-velous Creations- Cow Craft

Introduction:

Welcome to the world of creativity and imagination! We will explore the delightful craft of making a "Paper Bag Cow," a fun and engaging project perfect for kindergarten students to display at this year's fair. These adorable bovine buddies are sure to steal the spotlight at the fair, so let's jump right in and make them come alive!

Materials that you will need:

- Paper Lunch Bag
- Glue
- Scissors
- Cow Template

GGSF Moo-velous Creations- Directions

Step One:

Cut out the shapes from the cow template.

Step Two:

Glue the eyes, ears, nose, and horns to the top of the paper bag.

Step Three:

Glue the mouth underneath the flap of the paper bag.

Step Four:

Glue the spots all over the paper bag.

Step Five:

Attach a name tag to the cow listing- the child's name and teacher's name.

Step Six:

Now, your cow is ready to come to the fair!
